MEMORANDUM FOR: Chairman, [redacted] Panel

25X1

SUBJECT : NPIC Papers [redacted]

25X1

Attached are two papers prepared at your request for the COMIREN [redacted] Panel. The first discusses the factors affecting interpretability. The second is a re-print of a technical paper previously issued which considers the application of resolution criteria in the evaluation of photography at NPIC. You may wish to use this paper as an annex to the Panel's report.
